SUBJECT. :--

I submit herewith proposals for the revision of the scale of income and expenditure in the temple of Sri Holardra Narayana at Hiremagalur, Chitalmagalur Taluk.

2. These proposals were drawn up by Mr C. Aravamudanagar after a personal inspection and enquiry and in consultation with the local Officers, Dharmadarsis and other persons interested in the Institution. The Deputy Commissioner of the Madras District who was consulted in this office letter No. 1330-3 dated 11th July 1911 states in his reply dated 15th March 1911 that the scale is suitable and may be adopted.

3. The Deputy Commissioner has also forwarded the following proposals to the Government:— (1) That the allowance to the Dharmadarsi may be fixed at Rs. 5/- instead of Rs. 10/- (2) that provision may be made for the Tirumangal of alavola and other fees. As regards the first proposal, it is not possible to reduce the allowance to Rs. 5/-

as the land lands endowed to Ravanajashar and Alwar Jannidhis yield an income of only Rs. 60/- and the whole of it is proposed to be utilized for expenditure in the temple as shown in the draft scale submitted herewith. No portion of it is available for making the increase ~~on~~ prayer for. As regards the second prayer, a compromise was effected by the Deputy Commissioner on 20th February 1917 between the Vadagalas and the Tengalays and the material portion of it so far as it related to the present matter is that unless and until the tasdik patti fixed on 13th July 1907 is modified by Government the long existing custom of not offering any special worship on the Jeor Tirunakshatran day should not be departed from. The -- Tengalays who were parties to this compromise and agreed to this decision preferred an appeal to Government, but the appeal was rejected in order No. 931/1.7.314-1 dated 21st September 1916. No reasons have been urged for a reconsideration of the above order and even now there is no -- Vighraha of Kanavala Maharaj or Jeor in the temple. Without an idol, no worship can be conducted.

4. The memorandum attached to the scale explains the scope of the decision and -- I request the kind sanction of Government to the said proposals.

4th ~~of~~ Feb 1921.

Superintendent.

MEMORANDUM.

Revision of the scale of expenditure of
Sri Kodandaramaswami temple at Hiremagalur,
Chickamagalur Taluk, Kodur District.

Though the institution may not strictly fall within the category of major institutions as its regular income may be slightly less than the minimum limit of Rs.1000/- yet it should ^{be} treated as such owing to its local importance and situation at the District Head Quarters.

2. The institution^y has a cash grant of Rs.290-15-0 but has besides considerable income from Sirkar and Inam lands and miscellaneous collections not to mention certain Puduvat deposits in Savings Bank, a portion of the income upon which is available for general expenditure.

3. No material change is proposed to be made in the establishment or its cost excepting some small increases to the pay of the Archak, Paricharak, Golla and Kaval.

4. Under Nityakutle the provision for Paditara and Diparadhane is raised from Rs.8/- per mensem to Rs.13/-.

5. Small increases have also been allowed under Hetchukutle expenditure and expenses for Santarpane have been kept out of the account as they are to be paid for out of a private puduvat.

6. The total expenditure under the proposed scale is Rs.866/- as against Rs.755/- in the existing scale or Rs.111/- more than the latter out of which Rs.31/- represents the contribution to the Muzrai Establishment Fund at $3\frac{1}{8}\%$ p~~e~~ on the total income. The net increase is, therefore only Rs.80/-.

7. The institution had a minus balance of Rs.93-14-6 against an invested surplus of Rs.5974-5-0 on 30th June 1918.

Muzrai Superintendent.
